

BECO PROTECT® XS

▶ The Innovative Flow Technology Solution

The only depth filter cartridge for liquid filtration
with flow from the inside out.

All information is given to the best of our knowledge.

They reflect current know-how and do not claim to be complete.

No warranty is expressed or implied.

The application of our products outside the test criteria specified in the technical information requires separate verification by the customer. In such cases, no liability for any damage whatsoever can be accepted. Further detailed information can be found in the respective technical information sheets, instruction manuals and user notes. Misuse of the product will result in all warranties being voided, including any third-party commercial property rights.

Subject to change in the interest of technical progress.
